SUBJECT INDEX TO VOLUME 112

Accidents
- health and safety 298
- health of the nation 301
- in industry 297
- prevention 301
- road - in 1992 263
- road injury patterns 273
- statistics at work 297, 301

AIDS
- awareness amongst students 59
- casualties in Nigeria 59
- community based response 145
- current status 143
- global response 143
- human rights 147
- transmission rates 59, 143

Alternative Medicine
- evaluation of unproven cancer remedies 16
- psychological effect 17

America
- academic degrees 308
- agencies in public health service 52
- clinical guideline development 202
- elderly 149
- federal government 51
- health care and presidential politics 252
- health care system 100
- medical insurance 100

Annual Report
- 1991 107

Asthma
- peak flow meters 264
- self management plans 264

Audit Commission Reports
- day surgery 54

Bites
- age related 13
- animal and insect frequency 12
- Hong Kong and UK comparison 13

Cancer
- alternative methods of treatment 15
- complementary therapies 18
- dietary approach 17
- psychological effect of treatments 17
- radon induced 295
- social impact 158

Cardiovascular
- disorders and contributory factors 227
- prevention of CHD 227

Catering
- food hygiene regulations 31, 34
- good catering practice 36
- health risk - industry 34
- implementing healthy eating 2

Cerebral Neurocysticercosis
- case report 170

Children
- child health in Nigeria 3
- child protection 240
- children act 240
- citizens charter 177
- dietary habits 159, 271
- exercise 227
- gifted 124
- health and school nurses 85
- health in Zimbabwe 287
- HIB vaccination 264
- lying in 221
- prevalence of dental caries 75
- rights and needs of 177
- stress in families 128
- Victorian England 26

Cholesterol
- heart health 54
- intake in women students 117

Community Health Councils
- working for patients 131

Complementary Therapies
- homoeopathy in Russia 47
- relief of cancer symptoms 18
- treatment of migraines 41

Condoms
- attitudes and usage amongst students 61

Crohn's Disease
- and aflatoxins 277
- prevalence in school children 112

Crime
- in adolescents 129
- response to stress 127

Cultures
- attitudes to health education schemes 280
- children act 241
- health care conference summary 2
- perception of environmental health risks 219
- prevalence of diabetes 292

Dental Caries
- prevalence 74
- risk factors 74

Diabetes
- familial aggregation 167
- fat distribution 291
- obesity in Asians in UK 291
- related marriages and 168
- type 2 167, 291

Diet
- caterers contribution 2
- Crohn's disease 277
- diabetes mellitus 167
- eating between meals 271
- hospital diets and wastage 7-11
- in treatment of cancer 17
- meal skipping 160, 217
- school children in Bahrain 159
- sugar and dental caries 75

Diseases
- environmental factors 138
- genetically determined 138
- management and health education 280
- sampling methods in epidemiological research 172

Doctor
- contact with drug users 122
- doctor-patient relationship 64
- GP contracts 95
- referral system 97
- role in reducing drug problems 123
- treatment explanations 65

SUBJECT INDEX TO VOLUME 112

Drinking Water
- contamination of sources 89
- contamination with parasites 78, 80
- coverage assessment 184
- directives 89, 119
- health education 81
- quality of private supplies 119
- supply in urban versus rural areas 183

Drug
- compliance and physical problems 211
- labelling and instructions 264
- spread of AIDS in users 144
- users and contact with General Practitioners 120

Education
- accident prevention 301
- and health in Zimbabwe 287
- and parasitic disease 280
- in food hygiene 34, 225
- inflammatory bowel disease 112
- menopause 179
- water supply 187

Elderly
- design of nursing homes 231
- NHS vs private care 306
- multidisciplinary care teams 245
- population in US 149
- residential care 192, 195, 197

Environment
- environmental health profession 68
- environmental impact assessment 24
- environmental protection act 20
- integrated pollution control 20

Environmental Health
- accident prevention 301
- degree opportunities 68
- factors in disease determination 138
- future of profession 68
- meat inspection 70, 71
- perception of risks 219
- radon in Hong Kong 294
- water and sanitation problems 187

Epidemiological Research
- sampling methods 172

Ethnic
- drug compliance during Ramadan 135
- minorities and disease 137

Ethnic Minorities
- diabetes II 167, 291
- health care conference summary 2

Europe
- EC requirements and meat inspection 71
- environmental health 73
- nursing profession 247
- report on conference: 1992 European year of safety, hygiene and health protection at work 262
- social workers 249

Exercise
- reduction of Coronary Heart Disease 227
- reduction of depression 228

Eye
- drop dispensers 211

Family
- participation in child protection 240
- planning and cultural disposition 59, 289
- prevalence of diabetes 167
- stress in 128

Food
- fish hygiene in Nigeria 165
- irradiation 158
- poisoning, causes of 34
- poisoning and hens' eggs 212
- safety 31
- wastage in institutions 7

Food Hygiene
- education in 34, 189
- public awareness and fish hygiene 163
- setting example - TV 255
- training of older staff 225
- type of provision 37

Food Safety Act
- impact on voluntary organisations 31
- legislation 189
- registration 32
- temperature control 31
- training of staff 189, 225
- training voluntary staff 31, 225

General Practice
- audit 95
- contact with drug users 122
- extra contractual referrals 95, 133
- fund holding 99, 132
- General Practitioner contracts 95
- recruitment 98
- role as gatekeeper 97

Gifted Children
- identification and management 125
- prevalence and characteristics 124

Guinea Worm
- eradication of 80
- life cycle of 78

Gynaecological
- health services in Australia 179

Handicapped
- needs of children 177

Headaches
- chronic headaches 41
- diary in migraine treatment 40

Health
- 3 yearly checks by General Practitioners 97
- and safety at work 262, 297
- care in the US 100
- for all by 2000 immunization 3
- for all by 2000 water supply 184
- for elderly in US 149
- of the nation - accidents 301
- school nurses 84

Health Education
- attitudes and use of condoms 62
- control of parasitic diseases 81, 280
- heart health 54
- school nurses 84
- water and sanitation 187
- Zimbabwe 286

SUBJECT INDEX TO VOLUME 112

Heart
  public awareness 54
  world health day 1992 54
Hepatitis
  diagnosis of 266
  treatment with reticulose 266
HIV
  ethnic minorities 140
  knowledge amongst drug users 122
  testing of drug users 122
Homoeopathy
  in Russia 47
Hong Kong
  animal and insect bites 12
  comparison with UK figures 13
Hospitals
  animal and insect bite admissions 13
  cost of edible plate waste 7-11
Hypnotism
  opinion on 238, 312
  treatment of smokers 238, 312

Immunization
  coverage in Nigeria 3
  related to army rank 4-6
Inflammatory Bowel Disease
  interference with exam taking 112
International Water Decade
  sanitation 186
  supply assessment, Nigeria 185
  water supply coverage 183

Kuwait
  dietary intake of women students 115
  nutritional problems 114

Local Government
  environmental health structure 72
Lying
  causes 221
  prevalence 221

Malaria
  environmental factors 139, 141
  global control 263
  health education and 280
  in ethnic minorities 139
Management
  food hygiene training and policy 35
Meal Skipping
  in students 160, 217
  nutrient intakes 217
Meat Inspection
  environmental health officer 71
  veterinary profession 151
Medical
  compliance in Ramadan 135
  records and STDs 62
Mefenamic Acid
  prevention of premature labour 214
Menopause
  provision of education 179
Mental Illness
  child and psychotherapists 211
  media intrusions 54
  religious beliefs 43
  residential care of elderly 197
Migraine
  diagnosis 39
  treatment 40, 151
  triggers 39
Monitoring
  water directives 89
  waters 88
Multidisciplinary Teams
  advocacy 246
  care of elderly 245
  case conferences 245

National Health Service
  fragmentation 131
  GP contracts 95
  health of the nation - accidents 301
  NAHAT report 210
  targets 97
  trust hospitals and fund-holding 99
  vs private care 306
  working for patients 95, 131
Nigeria
  attitudes to AIDS 59
  extended programme of immunization 55
  fish hygiene and public awareness 163
  immunization coverage 3-6
  water supply coverage 184
  women physicians 55
Nurses
  impact of EC directives 247
  movement between countries 247
  role of school nurses 84
  training 247
  training of school nurses 85
  womens' health nurses, Australia 179
Nutrient Intake
  eating patterns 114, 271
  iron intake in women 116
  meal skipping 160, 217
  snacking 271
  student womens' diets 114
Nutrition
  dietary requirements 114

Obesity
  Asians in UK 291
  diabetes II 291
  fat distribution 291

Parasites
  dracunculiasis eradication 78
  health education and 81, 280
  in ethnic minorities in UK 141
  knowledge and attitudes to 280
  populations at risk 79
  tapeworm and cysticercosis 170, 280
Patient
  choice 133
  compliance and Ramadan 135
  satisfaction in primary health care 64
  working for patients 95, 131
Pesticides
  contamination 93

SUBJECT INDEX TO VOLUME 112

drinking water 89
Pollution
BATNEEC 22
best practical environmental option 20
effect on water quality 88
HM Inspectorate of Pollution 21
integrated control 20
pollution control enforcement 23
water incident 91
Premature Labour
processes of 214
use of mefenamic acid 214
Prescribing
drug compliance and Moslems 135
good practice 96
Primary Health Care
evaluating quality of care 66
in Zimbabwe 286
satisfaction with services 64
women's health nurses 179
working for patients 95
Psychiatric Disorders
and media 54
distinguishing from religious beliefs 43
training of child psychiatrists 211
Psychological
benefits of exercise 228
effect of stress 128
impact of AIDS diagnosis 60
parent - rights of children 177
Public Health
in schools 47
report of 1991 APHA annual meeting 50
Victorian children 26
Public Health in the United States
academic degrees 308
agencies in the public health service 52
clinical guideline development 202
elderly 149
federal government 51
health care system 100
medical insurance 100

Quality
drinking water 88, 119
of life and medical intervention 265

Radon
building materials 294
lung cancers 295
Hong Kong 294
Ramadan
and medicine taking 135
road traffic accidents 274
Registration
premises under food safety act 32
Religion
family planning and AIDS 59
medicine taking during fasts 135
religious belief and psychiatric symptoms 42
Residential Care
admission to 192, 195
case examples 195
choice of 232
complaints procedures 194
design of buildings 231
dignity 193
legal principles 197, 199
overview 192
privacy and protection 195
risks and unreasonable restraint 193, 197, 199
Road Accidents
in 1992 263
injury patterns 273

Salmonella
incidence in hens' eggs 212
Sampling Methods
probability samples 172
random sample 172
Sanitation
coverage rates 186
health education 187
health for all 183
School
children, diets of 159
nurses, role of 84
Sex
attitudes towards condoms 59
bias in choice of physician 58
Sexual
discrimination against women physicians 55
transmission of AIDS 143
Smoking
hypnotism 238, 312
world no-tobacco day 158
Social Workers
child protection 240
future of profession 249
movement in Europe 249
Special Needs
residential care of elderly 196
role of school nurse 86

and crime 127
cardiovascular disorders 227
family 128
life events 128
lying in children 222
physical exercise 227
trigger for migraine attacks 39
Sugar
dental caries 74
dietary intake in Kuwait 117
Surgery
report on day surgery 54

Technology
abatement technology and pollution control 22
Temperature Control
cause of food poisoning 34
food hygiene regulations 31
Tobacco
heart health 54
Training
food safety and voluntary workers 31, 225
food safety options 189
Richmond committee 35
staff in food hygiene 31, 34, 189, 225
Tropical Medicine

effect on ethnic minorities 137
health education and 280
history of 137
Tuberculosis
resurgence of 262

Vaccination
HIB in children 264
health for all by 2000 3
Veterinary Profession
meat inspection 71, 151
Victorian England
literary accounts 25
poverty 26

Waste Disposal
pollution control 20
Water
abstinence during Ramadan 136
international water decade 183
monitoring of quality 88
quality of private supplies 119
purification methods 119
urban and rural supply coverage 183
Women
dietary intake of students 114
discrimination against - physicians 55
health service - NSW, Australia 179
isolation in Australia 180
supply of menopause education 179
well women clinics 179, 181
Womens Royal Voluntary Service
food safety training 225
impact of food safety act 31
work of 31
Working for Patients
care of elderly 306
general practioners view 95
patient perspective 131
role of comunity health councils 131

INDEX TO AUTHORS OF BOOKS REVIEWED - VOLUME 112

AUTHOR	BOOK	PAGE
Atkinson J M	Coping With Stress at Work	49
Balding J	Young People Into the Nineties	204
Baum D and Dr Susanna Graham-Jones	Child Health, The Complete Guide	48
Beck J R	Managing Service for Success	253
Bloom F E and Mark Randolph	Funding Health Sciences Research	254
Ciba Foundation Symposium 156	The Childhood Environment and Adult Disease	153
Chaitow L	Candida Albicans	204
Chapman and Hall	Unsaturated Fatty Acids - Nutritional and Physiological Significance: The Report of the British Nutrition Foundation's Task Force	310
Colings J	Life Forces	253
College of Speech and Language Therapists	Communication Quality	102
Davies J and John Dickerson	Nutrient Content of Food Portions	48
Davis A	Let's Get Well	254
